

The background is a deep black space filled with numerous small, white, out-of-focus stars. Two large celestial bodies are prominent: a reddish-orange planet with a bright starburst effect at its top-left edge, located in the upper right quadrant; and a greenish-blue planet with a similar starburst effect at its bottom-right edge, located in the lower left quadrant. The text "Reading SciFi" is centered in the middle of the image. The word "Reading" is on the top line, and "SciFi" is on the bottom line. Both words are rendered in a bold, sans-serif font. The letters are filled with a vibrant, abstract pattern of green, yellow, and orange, resembling a microscopic view of a plant or a nebula. A bright, multi-pointed starburst effect is positioned at the top-left of the "R" in "Reading" and at the bottom-right of the "i" in "SciFi".

Naomi finds herself fighting for survival in a world populated by desperate people, where might-makes-right, and mercy and compassion are in short supply. And it's not just the world that has changed. The plague that decimates the human race also pushes mankind into evolutionary change. Those who survive are different, profoundly so, in ways they are just beginning to comprehend. As Naomi struggles to protect and reunite what's left of her family, she must also learn to understand and accept the changes in herself. In this strange new world, her survival, and the survival of those she loves, depends on it.
