My Russian Master by Megan Michaels

Targeted Age Group: 18+

Category: BDSM

Print book price range: 13.99 eBook price range: 4.99

About My Russian Master:

Sometimes the road to happily-ever-after begins with two simple words: "Yes, Sir."

For CEO Caroline Turner certain truths were inescapable. No matter how powerful, successful, and pretty she was, it didn't matter when it came to the number on her scale — a number she wasn't at all happy with. Like every other obstacle in her life though, she had a plan for overcoming it. The famous Maxim Volkov chef and fitness expert wasn't cheap, and he wasn't exactly falling in line with her wishes either, but he was perfect for the job ... and extremely easy on the eyes. However alpha and devastatingly handsome the taciturn Russian might, he seemed to have a different understanding about who the boss was in their particular arrangement. She'd just have to put him in his place... and try to ignore the insane urge to kneel at his feet.

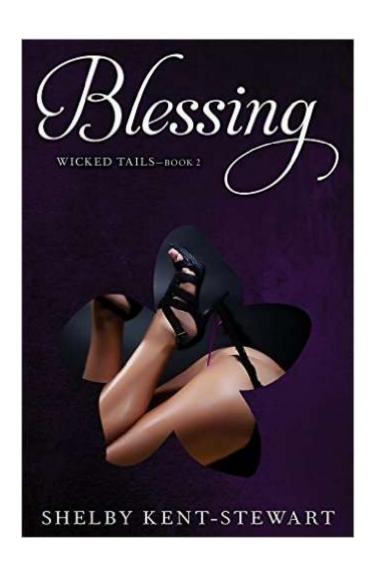

Taking the job offered by the spoiled, if intriguing American CEO was something Maxim wouldn't normally do. He didn't need the money, and he usually found Western women trying at best, maddening at worst. But something about the pretty Caroline spoke to him, her defiance, and acid-tongued ways hiding an appealing vulnerability he longed to bring to the fore. Despite her self-image, he saw little wrong with the curvy, brunette beauty. Nothing wrong that is that couldn't be cured with a little strict, bare bottom discipline, and some loving, sensual aftercare. That the appealingly disobedient, mouthy American woman would surrender to him was never in doubt.

In league with Julian Martine, life-long friend and fellow Dom, they set out to teach her a lesson, one that includes a remote island getaway and a bag of toys Santa wouldn't touch.

Real estate development CEO Blake Whitman is an Aquarius with a philanthropic nature, but when it comes to work, he's driven and focused, and he would never, ever mix business with pleasure. As far as he's concerned, office romance is off the table.

He also never backs down from a challenge, and Kira Layton just accused him of ruining the community. What better way to get her on his side than to hire her?

But the more he tells himself to keep his hands off his new, sexy secretary, the harder it is for him to come up with reasons why office romances never work and why it's a bad idea to cross the line...

Knowing His Secret by K.C. Falls

Targeted Age Group: 18-65

Category: New Adult Contemporary Women

Print book price range: \$7.40 Audiobook price range: \$14.95 eBook price range: \$0.00

About Knowing His Secret:

Deeply Emotional, Scorching Hot Read with hundreds of five star reviews!

He looked like the kind of man even my mother would call smokin' hot. Eventually, she did.

He felt like the kind of man who didn't just break the rules, but made new ones. He led and it was follow or get out of the way.

Why did a billionaire with a voice like liquid silk and a face like a bad angel take a second look at a girl in no-name jeans, with a fifteen-dollar haircut and a beat up car she calls her "Eep" because the 'J' fell off long ago?

I didn't want to know why and when I thought I knew I didn't want to admit it. By the time I found his secret, it was already too late. His passion had me hooked like a drug. It didn't hurt that he pulled the people I love the most out of harm's way. A girl can get used to a knight in shining armor even when the armor has some very large dents in it.

This is part one of a serial novel. Part 2 of the Year of the Billionaire is "Taking His Risk" and is available now on Kindle. Part 3 of Year of the Billionaire is "Keeping His Promise" and is also available everywhere.

eBook price range: 2.99

About Bite Me (Woodland Creek):

Woodland Creek Series.
30 Authors. 30 Shifter Stories.
She always did have a sassy mouth...just his type...

Alice Grey thought life was easier when she was still a thief. As a flying squirrel shifter, it had always been as easy as gliding through some rich guy's open window and sailing away before the hounds could get a sniff of her. That was ten years ago, and she's still trying to escape her past, and the memories of the man who told her to run...

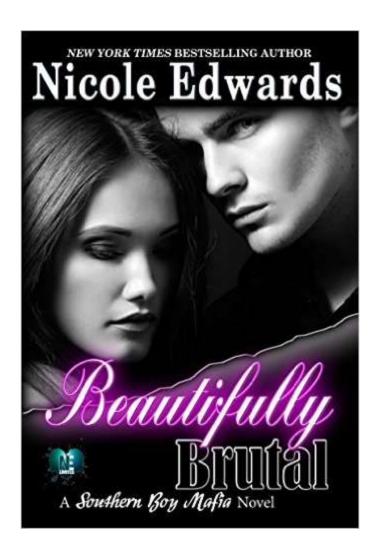

Alice is reformed now. She doesn't live that life anymore. She hadn't wanted it to begin with. Forced into it to pay her father's debts to some very bad people, she still can't live peacefully because the dog shifters, one in particular, don't know when to quit. They catch up with her in Woodland Creek, hoping to clamp their teeth down on her neck and shake her until she's dead like a real squirrel.

Jake Redfield, former undercover cop, fell in love with Alice when he met her on the job. He'd been trying to bring down her bosses at the time, and for the most part, he succeeded, but one man is out of prison, and he wants revenge as much as Jake wants to see her again. Wants to touch her and kiss her. Keep her safe.

As a diamondback rattlesnake shifter, his venom can be deadly, and anyone who tries to hurt his Alice is just begging to be bitten...

Category: Romance

Print book price range: 14.95 eBook price range: 4.99

About Beautifully Brutal:

Sometimes love isn't beautiful...

Sometimes the only way to describe it is beautifully brutal.

If you think you know him... You're wrong. If you think you know his family... Wrong again.

If you think you know his story... You don't.

If you did, you'd likely wonder how the hell a man like Maximillian Adorite managed to make it to this point in his life. At twenty-nine, he's experienced more than most people could only ever imagine, all thanks to his family. Organized crime they call it. Mafia.

No matter how they spin it, it comes down to one thing. Max gets what he wants. Except for the one thing he wants most.

Her name is Courtney Kogan.

And now that he's had a taste of her, Max knows he'll never be able to let her go.

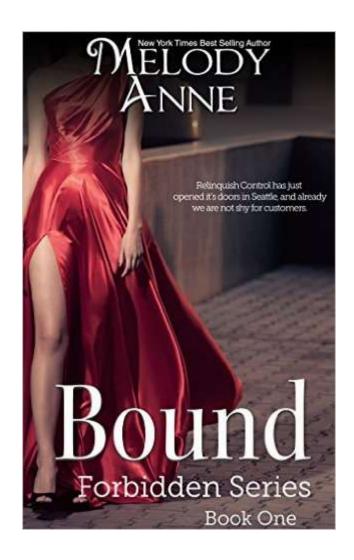

The Southern Boy Mafia series is a spinoff from the Sniper 1 Security series. It has been set up to be read without reading Sniper 1 Security, however, the characters will frequently cross over.
