Before we get to the books here are a few things you need to know:

You don't need a Kindle or a Kobo to read eBooks!

You can read them on your computer, your phone or your tablet or iPad. Here are the links to get the various apps to download:

[Amazon Reading Apps](#)

[Kobo Reading Apps](#)

Something extra from Amazon: Matchbooks.

What that means is that when you purchase print books that are participating you can get the corresponding eBook at a discount or even free. We have noted those opportunities in our book listings. So you can buy a print book to give as a gift and then get the eBook for yourself! How cool is that? Or give both to your gift recipient.

Did you know you could give Kindle eBooks as gifts?

Check over by "Add to Cart" and you will see a "Give as a Gift" button. All you need is the person's email address and you are good to go. You even schedule when the gift will arrive via email.

For those of you that subscribe to Kindle Unlimited any book that is able to be borrowed has a note by it.

Things from Other Worlds by Anne E. Johnson

Targeted Age Group: 8-12

Category: Children and Young Adult Books

Print book price range: 5.99

eBook price range: 2.99

About Things from Other Worlds:

Many strange things wait inside these pages. There's a fuzzy ball of kindness, camped out on a grumpy man's porch. A chewed piece of gum with a mind of its own. A smart Alec who actually stands in line twice when they're handing out brains. A girl who isn't afraid when all the plants in her neighborhood come to life.

This collection of 15 science fiction and fantasy stories for kids by award-winning author Anne E. Johnson is perfect for ages 8-12, or anyone with a child's heart.

TRUST FEW. LOVE NONE. THE MONSTER COULD BE ANYONE.

The background of the cover is a dark, smoky orange with a large, bright fire or explosion in the center. Three dragonflies, glowing with an inner fire, are positioned in the upper half of the cover. The title 'The Monster' is written in a large, stylized, cursive font across the middle, with the dragonflies appearing to fly through the letters. Below the title, the text 'MONSTERS AMONG US, BOOK ONE' is written in a smaller, sans-serif font.

Category: Children and Young Adult Books

Print book price range: 11.55

eBook price range: 3.99

About Hidden Monster:

For seventeen-year-old Samantha Campbell, running back woods trails usually means freedom from her less-than-perfect life. That is, until the day a morning run turns into a living nightmare. When Samantha wakes up to find herself bound to a dirty, pinstriped mattress, she realizes she's anything but free. With a masked abductor repeatedly injecting her arm with an unknown substance while holding her captive, Samantha tries in vain to find out what he wants, but he refuses to speak. Until the day he breaks his silence and his twisted words are worse than what she'd imagined. He promises her one day she will fall in love with him but the best part will be that she won't know who he is... until it's too late. [Read more](#)

A Glimpse from Christmas Past by D.C. Donahue

Targeted Age Group: Kids from 1 to 92....

Category: Children and Young Adult Books

Print book price range: \$19.99

eBook price range: \$3.95

About A Glimpse from Christmas Past:

A man has a magical experience while doing some last minute shopping one Christmas Eve. Picture the scene...the snow is falling harder as he heads towards the subway with some last minute gifts for loved ones. Salvation Army bell ringers mixed in with Christmas carols can be heard along with the sights and sounds of the big city, as William Penn looks on from his perch from atop City Hall. As he carefully rounds a corner, as to not slip and fall, he stumbles onto a scene of a little girl preparing to get on Santa's lap. [Read more](#)

The Measly Virus by Emma Vincent

Targeted Age Group: 13+

Category: Children and Young Adult Books

Print book price range: \$7.21

eBook price range: \$1.99

About The Measly Virus:

A beautifully illustrated book promoting a positive message about vaccination to children, highlighting the resilience and impact of a vaccine-preventable disease and the bravery required to protect ourselves and those most vulnerable among us. All in rhyme and accompanied by bright illustrations, the tale is of a young girl who is being followed by a cheeky, impertinent virus monster that is set to ensnare her and make her sick. But the young girl knows that if she gets sick, then her grandma and baby sister could get really sick and maybe even die, so she decides to be a superhero and get her vaccinations so that she can protect herself and her family. About This Star Shall Abide:

Noren knew that his world was not as it should be--it was wrong that only the Scholars, and their representatives the Technicians, could use metal tools and Machines. It was wrong that only they had access to the mysterious City, which he had always longed to enter. Above all, it was wrong for the Scholars to have sole power over the distribution of knowledge. The High Law imposed these restrictions and many others, though the Prophecy promised that someday knowledge and Machines would be available to everyone. [Read More](#)

Category: Children and Young Adult Books

Print book price range: \$13.70

eBook price range: \$3.99

About Mind Over Bullies - A MOB Forms:

People that feel bullied just need to toughen up. That's what Margo Rios used to think. Margo is pretty, popular and unsympathetic to just how intense bullying can get. As a counterfeiting plot sweeps through the city of Oak View however, life for Margo changes dramatically.

With the mystery unfolding, an unlikely group of heroes emerges. Bullied teens love them, the police hate them and bullies fear them. Together they will try to get to the bottom of the counterfeiting mystery while ingeniously teaching a few bullies a lesson or two along the way... that is, if the police don't catch them first. TRUTH SEEKERS

DOUBT

AMONG US TRILOGY 1

Doubt (book 1 of Among Us Trilogy) by Anne-Rae Vasquez

Targeted Age Group: 16

Category: YA – Science Fiction & Fantasy

About Doubt (book 1 of Among Us Trilogy):

“Anyone seeking a phenomenal paranormal YA novel that’s wonderfully fresh, innovative and devoid of any clichés or predictability will love DOUBT. This book appealed to me greatly as not only an avid reader of YA fantasy (sub genres), but also the exciting and original premise stood-out at me. Character-driven and action-packed this scintillating story keeps you thoroughly entertained, as the type of story that engulfs you completely! Contemporary, modern and current themes such as online gaming and high school blended together gave the story an edgy twist that teens will love. Easily identifiable characters such as Harry and Cristal were brilliantly realized on the page, so that readers can empathize with them. The interesting way in which the author approaches Angels and Demons I found utterly fascinating and entirely *new* and so I wouldn’t hesitate in recommending this to readers both young and old alike.” – Lucinda F., Amazon top reviewer

Shaky Man by Mark S. Parker

Targeted Age Group: 10-15

Category: Childrens Books – Middle Grade

About Shaky Man:

Stay away from Shaky Man. Every kid in the small town of Tonkaway, Texas, knows that. He eats little kids, murdered his wife, and mistreats his dogs, to boot. That's what they say, anyway. Top doesn't entirely know what to think about the rumors. He's too busy settling into his new home, playing baseball and making friends—like Mickey, a black boy who soon becomes his best friend of all.

Everything changes when a shocking murder turns the town, along with Top and Mickey's lives, upside down. Neighbors show their true colors. Shaky Man's secrets are revealed. Through it all, Top learns again and again just how confusing and unfair the world can be. A tale of childhood set in the 1960s, Shaky Man timelessly reaffirms the basic goodness of humanity and the importance of friendship and compassion in the face of prejudice. [Read more](#)

Book One of the Chronicles of Aerathia

Winds of Aerathia

T.E. Adams

Winds of Aerathiea by T. E. Adams

Targeted Age Group: 10-18

Category: Children's – Fantasy

About Winds of Aerathiea:

The Winds of Aerathiea is the first volume in the new epic fantasy series, The Chronicles of Aerathiea.

Young Liam Waite has already survived the unspeakable horrors of living in a post-apocalyptic St. Louis from the hands of a disaster no one understands. Nothing could have prepared him when a mysterious airship burst from the sky one October morning and asked for him by name. From there, he is literally whisked into a new world that he is utterly unprepared for and is made to answer for the sins of his parents.

Solaris Seethes (Solaris Saga book 1) by Janet McNulty

Targeted Age Group: young adult

Category: YA - Science Fiction & Fantasy

About Solaris Seethes (Solaris Saga book 1):

Every myth has a beginning.

After escaping the destruction of her home planet, Lanyr, with the help of the mysterious Solaris, Rynah must put her faith in an ancient legend. Never one to believe in stories and legends, she is forced to follow the ancient tales of her people: tales that also seem to predict her current situation. Forced to unite with four unlikely heroes from an unknown planet (the philosopher, the warrior, the lover, the inventor) in order to save the Lanyran people, Rynah and Solaris embark on an adventure that will shatter everything Rynah once believed.

Death Moan by Steve Price

Targeted Age Group: 12

Category: YA – Mystery

About Death Moan:

Something sinister is stalking the woods around White's Bluff. Many of the local people believe that the strange screams that are heard and the strange, glowing figure that has been seen in the woods is a phantom.

This ghostly legend is known as the white screamer, a horrifying, disfigured ghoul that many believe has haunted the area for decades. Soon, a young man named Michael Mullins begins to look into the case as his friends that live around Bryant's creek begin to disappear mysteriously, one by one. [Read more](#)

How I Became a Teenage Survivalist

JULIE L. CASEY

How I Became a Teenage Survivalist by Julie L. Casey

Targeted Age Group: 12 and up

Category: YA – Dystopian

About How I Became a teenage Survivalist:

Bracken is a typical teenage boy, more interested in the angles of the girl's exposed back teasing him from the seat ahead of him than in anything the geometry teacher could present. His life is filled with school, video games, and thoughts of girls, not necessarily in that order. Life just flows along uneventfully and unacknowledged, like the electricity that courses through the power lines — until PF (Power Failure) Day. On PF Day, the sun strikes Bracken's world with an unseen surge of electromagnetic fury, which cripples power stations and burns transformers to crispy nuggets of regret. [Read more](#)

NOLA Gals by Barbara J. Rebbeck

Targeted Age Group: 12-15

Category: YA - Historical Fiction

About NOLA Gals:

Roaring into the winds, she rants, "Hear me! I am Katrina!" Essence LaFontaine and Grace Woodson don't know each other, but soon Hurricane Katrina will roar into their lives, forcing them together into a different kind of storm--a storm swirling with the winds of bigotry and prejudice. Learning valuable lessons in tolerance from reading the classic, *TO KILL A MOCKINGBIRD*, Essence and her little sister, Chardonnai struggle to survive with the friendship of Grace in a posh private school in Houston far from their devastated home of New Orleans. This is the story of two teens from completely different walks of life and their journey home together.
